This course is assessed by the quality of your personal action plan

Duration

Half day

Participants

Max. of 14

Location

The course can be done online, at one of our training centers, or have it delivered directly to your workplace

About IOSH accreditation

IOSH stands for Institution of Occupational Safety and Health, the Chartered body for health and safety professionals. IOSH is a UK-based organisation offering professional qualifications in order to raise standards of health and safety in the workplace.

IOSH courses are aimed at employees and managers who don't have specific responsibility for health and safety or are working in a lower-risk industry.
